DAILY ROUTINES, PARENT PRIORITIES and RESOURCES (Page 3)**

EI #: _____ DOB: ____/____/____
Today's Date: ____/____/____

When early intervention services are provided in places where your family typically lives, learns and plays, (family's daily routine/natural environment), progress is made more quickly. Young children learn best by socializing and playing with people they are close to (parents, family members, babysitters, childcare workers, and other children), and in places they know and like. The questions on this page will help families identify natural learning opportunities throughout the child's day and, how interventions can be made a part of your daily activities.

Priorities:

1. Based on our conversation, which of your child's daily routines and activities would you like Early Intervention to help you work with your child on (ex: **At home:** bath time, meal time, naps, dressing/ **Outside:** Shopping, attending childcare, visiting friends or family **Events:** Family get-togethers/ Places parent and child go together)?
2. Based on your answer(s) to the last question, which concern(s) would you like Early Intervention to focus on (if more than one, list them in order of priority)?

Resources: (This Section must be filled out by the ISC with the parent/guardian before the IFSP meeting)

1. Where does your child spend most of his/her time during a typical day? (Some of these places may be possible sites for early intervention activities)
 *Daycare/ Child Care Program/ Babysitter At home Other _____

If child attends Daycare/ Child Care Program/ Babysitter, please fill out the following:

Name of caregiver, or program: _____ Phone #: (____) _____
Address _____
2. If your child is not in a Daycare/ Child Care Program/ Babysitter who assists you with childcare? Grandparent Friend Other _____
3. What language does your child hear most of the day? _____

Respite Services

Respite is short term, temporary care provided by a trained respite worker or nurse. It is intended to provide support to parents and caregivers who may otherwise be overwhelmed by the intensity and constancy of caregiving responsibilities for their child with special needs. Respite is not a substitute for daycare and the need for childcare is not sufficient alone to justify respite services. *The New York City Early Intervention Program determines the need for respite services based upon the individual needs of the child and family with consideration given to New York State Public Health Laws.*

- Does the family express the need for respite services? Not at this time Yes Application attached Application to be submitted
- Has the family applied for other sources of respite? Not eligible No Explain why not. _____
