NYC EARLY INTERVENTION PROGRAM INSTRUCTIONS FOR COMPLETION **CLOSURE FORM**

The initial or opening Service Coordinator must complete this form when any of the conditions (A-K) Listed in the box titled "Disposition" occur. THIS FORM SHOULD NOT BE COMPLETED IF A CHILD WILL BE LEAVING ONE EI PROVIDER AND CONTINUE TO RECEIVE SERVICES BY ANOTHER EI PROVIDER.

All information requested must be completed. NOTE: The Effective Date of Closure and the Date of Submission do not have to be the same date.

The Service Coordinator must keep a complete copy of the **CLOSURE FORM** in the child's service Coordination case record and must send copies to the following: EIOD (or appropriate Regional EI Director); the evaluation site (if prior to the IFSP meeting); and all service provider(s) (including transportation and respective providers).

If the child is found not eligible for Early Intervention services, the service coordination should discuss referral for monitoring with the parent and should check the appropriate box at the bottom of the Closure Form. If the parent accepts the referral, the Service Coordinator should include the code for risk factor (see below), as well as the name, address, and telephone number of the child's primary health care provider and the child's next appointment date.
